

CONGRATULATIONS TO
JOE YANNUZZI
ON HIS SUCCESSFUL SUMMIT OF
MOUNT EVEREST

MAY 22, 2008

As part of his training and conditioning, Joe used services provided by **Advantage Nutrition and Wellness**.

Joe attributes his success in part to the conditioning he received from our personal trainer, **Julie** as well as to the **Nutrametrix** supplements he used before and during his dangerous climb to 29,035 feet.

Our line of OPC Antioxidants, Vitamin C, Omega 3, Glucosatin and Multivitamins helped Joe climb the highest mountain in the world!

WAY TO GO JOE!
